Critique of Frater Xavier. He's been an awesome perplexing agitator to inspire critical thought and learn, even though I also think he's a gimmicky charlatan machiavellen douchebag tool.

Ad Hominum galore. I'll listen to you when you provide legitimate attacks on his behavior, nature and philosophy finding contradictions holes and ironies.

I totally eviscerated the hollowness of his argument. You'd know that if you were literate enough bother to read the majority of the amount of what I've written in my links on the first comment here. A little bit alleged "ad hominem" attacks are sometimes in reality the poignant vitriolic words that truly accentuate the contemptuous truth concluded by the author. You want to piss your money away on a word salad double speak psyop tool dangling a carrot? You want to watch his videos without carefully meticulous scrutinizing his words with a discerness of what's true and false with your own mind, that's your money towards the subsidizing algorithm skated, while youtube censors a lot of good people, not mine. Whatever floats your boat.

Given context of the OP especially:

Right is doing most amount of good and the least possible harm to one's self and fellow own members of one's species (homo sapiens on earth hopefully most of yours)

Freely Denouncing voluntarily the scamdemic (the masks, lockdowns, the vaccines, and especially the forkontongue politicians and quacks pushing it) worldwide and attest these principles are true: QUOTE by such 1st people famous herb gathering healer American Indian: "...everything on Earth has a purpose, every disease an herb to cure it, and every person a mission. This in the Indian theory of existence." - Mourning Dove (Christine Quintasket) IMHO I think she meant Vitamins (especially c&d), diverse complete essential nutrients, herbs, good diet, exercise & rest balanced saves lives! The politicians are in bed with 1. big pharma 2. quack medical mafia, & 3. duped junk food addicts who CREATE CUSTOMERS NOT CURES! FACE MUZZLE FOR YOUR CONNIVING UBIQUITOUS NEUROTIC TRAITOR s"...everything on Earth has a purpose, every disease an herb to cure it, and every person a mission. This in the Indian theory of existence." - Mourning Dove (Christine Quintasket). Covid19 is a scam

Freely denouncing voluntarily a douchebag who makes a hollow argument over a stupid meme (that I would never make) of an alleged "bum" = a disheveled homeless man (in this image [https://www.google.com/search?fb=simg:CAQS9wEJExyYYwEI7i0a6wELEKjU2AQaAghCDAsQslynCBo6CjglBBIU6QzvPpMi2hGll6Ql4x2vJJMSlgUaGlgIzc4PbuNkXw5gaKL39Cm2v\\_1NSVemtd97dIAUwBAwLEI6u\\_1ggaCgolCAESBDbUi0EMCxCd7cEJGoABChgKBXRvcXVI2qWI9gMLCgkvbS8wMXy5ZDAKGQoHbGVpc3VyZdqliPYDCgolL20vMDRnM3IKFgoEY2I0edqliPYDCgolL20vMDFuMzIKGQoGd29vbGVu2qWI9gMLCgkvbS8wMXloNjUKFgoEd29vbNqliPYDCgolL20vMDIreHAM&q=poor+in+usa&fbm=isch&sa=X&ved=2ahUKewjr2lmw\\_OzxAhXT0p4KHSwuBhcQ2A4oAXoECAEQMg&biw=1280&bih=591](https://www.google.com/search?fb=simg:CAQS9wEJExyYYwEI7i0a6wELEKjU2AQaAghCDAsQslynCBo6CjglBBIU6QzvPpMi2hGll6Ql4x2vJJMSlgUaGlgIzc4PbuNkXw5gaKL39Cm2v_1NSVemtd97dIAUwBAwLEI6u_1ggaCgolCAESBDbUi0EMCxCd7cEJGoABChgKBXRvcXVI2qWI9gMLCgkvbS8wMXy5ZDAKGQoHbGVpc3VyZdqliPYDCgolL20vMDRnM3IKFgoEY2I0edqliPYDCgolL20vMDFuMzIKGQoGd29vbGVu2qWI9gMLCgkvbS8wMXloNjUKFgoEd29vbNqliPYDCgolL20vMDIreHAM&q=poor+in+usa&fbm=isch&sa=X&ved=2ahUKewjr2lmw_OzxAhXT0p4KHSwuBhcQ2A4oAXoECAEQMg&biw=1280&bih=591))

that no one I'm aware of can provide any information as to his identity, his story , or anything about his circumstances, contrasted with Jeff Bezos.

And boycotting the fuck out of someone with the gall and the arrogance to make strawman lame ridiculous arrogant argument here: 1.

If you don't see that last video I referred to by Frater Xavier

<https://youtu.be/FyQ34rXhVXo?t=416>

as pretty nearly as heartless as the Gq man murdering the homeless man in "American Psycho - Homeless Guy Gets Stabbed" <https://www.youtube.com/watch?v=NY3yzLA-g24>

I don't know what else to write.

What is morality though? What's moral to the Christian is immoral to the Muslim.

at the root all morality and ethics is the gold rule "do unto others as you would have them do to you" "wish unto other what others wish unto you", especially to your own homo sapien species.

That would be a personal interpretation of ethics, morality is basically the definition gave of conformity

So BadLiar43 how do you draw the line between "personal interpretation" and "impersonal interpretation" of ethics, morality? And why would you say morality is the

definition of conformity? Morality is an anathema to the definition of conformity nowadays. I got to refer to Mark Passio as someone whose gone out an limb denouncing what you' explain, distingquishing between morality verses moral relativist view point: [https://www.youtube.com/results?search\\_query=mark+passio+morality+moral+relative](https://www.youtube.com/results?search_query=mark+passio+morality+moral+relative)

Damn, you really THAT butt hurt you got kicked out of the group? This is a pretty big tribute you posted. Have you produced any material better than FX? If so please post. You made a new Reddit account just to blast FX? Bless your heart! 😊

If you want to allege butthurt, the butthurt is far beyond getting kicked out of that stupid facebook group of sychophants determined to only allow comments from ass kissers, just like the youtube comments that only allow those who kiss his ass. I totally expected to get banned from that group and knew it was only a matter of time before I really perceived the m.o. of deception and tell it how it was at a visceral real level that is constantly censored. I might use this account for other rants in the future, but in the meantime this account is to clarify.

So what have you produced that's more accurate where you claim FX is lacking? It seems you have quite the axe to grind, nearly little to no axe at this point since you've been on it for so long. Your first post/reply to a post about FX was 3 years ago. In 3 years you haven't moved on or produced anything better to outshine him and show us a better way?

IF you don't see my productive online content as some proof to you that I've since evolved over the past 3 years to respect Frater Xavier as a formidable adversary, find him a great demonstrator of the Method Operandi of the likes of worse people, like Andrew Fauci and the pedophile enabling community of my childhood in other blogposts of mine, your idea of "shine" verses "outshine" is egregiously deluded and irrelevant to me. I respect an adversary that incites me to be a stronger better person, but that doesn't make him any less of an adversary, just an adversary that's not a big danger to me because I was never going to buy any of his products. I respect the fact that he triggers me to debunk him and worse people with full thorough and meticulously delivered wrath that's long overdue here

START WITH MY LATEST: <https://mindtrickmemos.blogspot.com/2021/07/cult-of-sycophants-of-frater-xaviers.html>

Even though I have a healthy respect for Frater Xavier as a clever agitator and prankster, with some persistent persevering ability to deliver basic hermetic concepts. Even though I have healthy respect for him as a trickster that inspires me to think critically and I don't really wish him harm, I don't understand the sycophant cult of people who spend money on someone who never shows his face and never reveals much about his personal life, other than boasting and claiming he his successful, and whose speeches are riddled with doublespeak.

This comes after this facebook group kicked me out after about 9 months of carefully lurking and questioning:
